CATALOGUE

PRODUCT CATALOGUE ON WEBSITE

You can display up to 50 products in your online catalogue, allowing you to promote a wide range of offerings. These products will be showcased on your customized catalogue page, enabling buyers to view all key products together and access detailed information whenever needed.

Products

PRIORITY LISTINGS

You are allowed to highlight up to 20 products or services under our featured listings section. This helps your top offerings gain higher visibility and attract quality buyers. Choosing the Silver Membership ensures enhanced exposure, which directly contributes to business growth.

CUSTOMIZED CATALOGUE PAGE

Your business will be provided with a dedicated digital catalogue page showcasing your company profile, products, services, and contact details. The page is designed to be visually appealing, well-organized, and informative, giving buyers complete clarity.

Verified buyer connections

Your company will receive 360 carefully verified buyer leads (30 every month). These leads are sales-ready and highly likely to convert, helping you generate revenue more efficiently. This saves valuable time and allows you to focus on core business operations.

VIP Buyer

With the Silver Membership, you receive 10 exclusive VIP buyer leads selected by our expert team. These high-potential leads give your business a competitive edge and open doors to profitable global opportunities.

CUSTOM WEBSITE

Our experienced team will build a custom static business website designed to attract and engage potential clients. In today's digital environment, a strong online presence is essential. Your website will be user-friendly, visually attractive, and performance-driven, serving as the online identity of your business.

DOMAIN & WEBSITE HOSTING SUPPORT

We offer free domain registration and hosting services for your business website. Your website will be securely hosted by us without any additional cost, reducing your operational responsibilities.

DEVICE-COMPATIBLE WEBSITE

We ensure your website is fully responsive and optimized for all devices, including smartphones and tablets. A mobile-friendly website improves user experience and search engine rankings, helping your business gain better online visibility.
